We developed the following pages containing resources for you to use and training you can attend to integrate person-centred approaches into your teams way of working: sheffieldacp.org.uk/what-we-do/put...

#WMTYSheffield If you've any content to include please get in touch

#WMTY21

"We define person-centred approaches as enabling the people of Sheffield to live a life they value, and allow people and communities to have greater control over what matters to them"
