

<i>MH LTP Objectives</i>	Crisis Transformation Priority Rating 1-5 I-h	Leads	Timescales
<i>Section 1: Emergency mental health support:</i>			
1. Continue to ensure that 24/7 community-based mental health crisis response for CYP, adults and older adults is available across Sheffield. This links to work on LD and autism pathways and the LD and Autism Strategies as an interdependency	5	SHSC SCFT LA Sheffield place SYICB VCS	Ongoing into 2025
2. Explore the availability of intensive home treatment as an alternative to an acute inpatient episode	5	SHSC SCFT LA Sheffield place SYICB VCS	Ongoing into 2025
3. Ensure that the All-age mental health liaison service in A&E departments and inpatient wards meets the 'core 24' service standard as a minimum. Achieving Better Access to 24/7 Urgent and Emergency Mental Health Care – Part 2: Implementing the Evidence-based Treatment Pathway for Urgent and Emergency Liaison Mental Health Services for Adults and Older Adults – Guidance (england.nhs.uk)	5	SHSC STH SCFT Sheffield Place SYICB	Finance year 23/24 and 24/25
4. Ensure that 111 enables access to 24/7 mental health support with clear standards for access to urgent and emergency specialist mental health care.	5	SYICB SHSC SCFT	April 2024
5. Ensure post-crisis support for families and staff who are bereaved by suicide, who are likely to have experienced extreme trauma and are at a heightened risk of crisis themselves. (NB Established Suicide Prevention Group lead on this area).	Out of scope for programme		
6. Ensure that there are alternative forms of provision for those in crisis. (e.g. Sanctuaries, safe havens and crisis cafes)	5 NB many services already in place	SHSC SCFT LA Sheffield Place/SYICB	End 23/24

MH LTP Objectives	Crisis Transformation Priority Rating 1-5 I-h	Leads	Timescales
7. We will further explore/ refine models such as crisis houses and acute day care services, and clinical decision units as alternatives to admission/attendance at A&E.	5 as some already in place	SHSC SCFT LA Sheffield Place/SYICB	End 23/24
8. Review the waiting time standards and recommendations from NHS E Clinical Review of Standards to ensure that everyone who needs it can expect to receive timely care in the most appropriate setting. (This includes timely access to MHA assessments	5	SHSC SCFT STH LA Sheffield Place/SYICB VCS	End September 2023
9. YAS staff will be trained and equipped to respond effectively to people in a crisis. Ambulance services form a major part of the support people receive in a mental health emergency	5	YAS SCFT SHSC STH SYICB	YAS to advise
10. Introduce new mental health transport vehicles to reduce inappropriate ambulance conveyance or by police to A&E.	3 as will be in place in Autumn 2023	YAS SCFT SHSC STH SYICB	October 2023
11. YAS plan to introduce mental health nurses into ambulance control rooms to improve triage and response to mental health calls, and to increase the mental health competency of ambulance staff through an education and training programme.	3-5	YAS	YAS to advise on achievability
12. Expand specialist perinatal mental health services so that more women who need it have access to the care they need from preconception to two years after the birth of their baby	Out of scope of programme and picked up elsewhere		

<i>MH LTP Objectives</i>	Crisis Transformation Priority Rating 1-5 I-h	Leads	Timescales
Children and Young People: in addition to some of the actions above:			
1. Continue to invest in expanding access to community-based mental health services to meet the needs of more children and young people/ ensure positive benchmarking/return on investment.	5	SCFT Sheffield Place SYICB	End of 23/24 financial year
2. Ensure that waiting time standards for eating disorder services are achieved as one week in urgent cases and four weeks for non-urgent cases. (NB Sheffield Place ASERT (All Age Eating Disorder Programme) established to look at eating disorders pathway, plus SYICB Provider Collaborative leading a piece of work in this area)	Out of scope of programme: ASERT all age eating disorder Programme Board and SYICB Programme Leadership		
3. Expand timely, age-appropriate crisis services to improve the experience of children and young people and reduce pressures on accident and emergency (A&E) departments, paediatric wards and ambulance services.	5	SCFT Sheffield Place SYICB SHSC STH LA	Pilot Service in place but new procurement planned for new service by January 2024
4. Ensure that the single point of access through NHS 111, gives all children and young people experiencing crisis access crisis care 24 hours a day, seven days a week.	5	SYICB SHSC SCFT	April 2024
5. Embed mental health support for children and young people in schools and colleges through expansion of and learning from the Mental Health Support Teams national pilot	4 as already expanding in 2023/24	SCFT Sheffield Place SYICB LA	January 2024
6. Ensure that we are able to meet the 4 week national waiting time standards for all children and young people who need specialist mental health services, when applicable.	5	SCFT Sheffield Place SYICB LA	Due to size of referral demand and waiting time may not be achieved until Quarter 4 2024/25
7. We will create a comprehensive offer for 0-25 year olds that reaches across mental health services for children, young	5	SHSC SCFT	December 2023

people and adults.		Sheffield Place SYICB	
8. Work with the Student mental Health Services to build the capability and capacity of universities to improve student welfare services and improve access to mental health services for the student population, including focusing on suicide reduction, improving access to psychological therapies and groups of students with particular vulnerabilities.	4 as NHS Talking Therapies Pathway is already in place, and Sheffield Support Haven reaching out to students	SHSC SHU Sheff Uni Sheffield Place SYICB	Ongoing 23/24
Inpatient care - Adults and CYP Tier 4: (NB Tier 4 CAMHS Provider Collaborative Responsibility)			
This set of LTP crisis objectives will be the focus of other UEC Workstreams such as Discharge planning workstream, and the MHLDDA Delivery Group objective to reduce out of area placement, but has an impact on crisis pathways			
1. For people admitted to an acute mental health unit, ensure that therapeutic environments are available to provide the best opportunity for recovery.	Out of scope		
2. Ensure purposeful, patient-orientated and recovery-focused care is a goal for each person admitted.	Out of scope		
3. Reduce inappropriate out of area placements for non-specialist acute care.	Out of scope		
4. Reduce the length of stay in MH inpatient units to the national average of 32 days.	Out of scope		
Suicide prevention			
NB The Sheffield and SYICB Suicide Prevention Programme and Board is established to progress these pathways, led by Public Health.	Out of scope		
1. Continue to deliver suicide prevention measures addressing high risk groups and maintaining real time surveillance to	Out of scope
