<ul style="list-style-type: none"> Approve the Priority Programme Brief. 	
What assurance does this report provide to the Sheffield Health and Care Partnership Board in relations to the ambitions of the Health and Wellbeing Strategy 2019-2024	
	Please ✓
Every child achieves a level of development in their early year for the best start in life	
Every child is included in their education and can access their local school	
Every child and young person has a successful transition to independence	
Everyone has access to a home that supports their health	
Everyone has a fulfilling occupation and the resources to support their needs	
Everyone can safely walk or cycle in their local area regardless of age or ability	
Everyone has equitable access to care and support shaped around them	✓
Everyone has the level of meaningful social contact that they want	
Everyone lives the end of their life with dignity in the place of their choice	✓

Are there any Resource Implications (including Financial, Staffing etc)?
Yes, these are included in the paper and detail of funding and areas of spend can be found at Appendix 1.
Have you carried out an Equality Impact Assessment and is it attached?
An EIA has not been completed at this stage but will be completed as a priority by the Discharge Delivery Group following the approval of the enclosed Priority programme Brief.
Have you involved patients, carers and the public in the preparation of the report?
No, however, patient, public and carer engagement involvement is a priority as the programme develops.
